

# 3D Printing - Booking Sheet

Please read before selecting details:

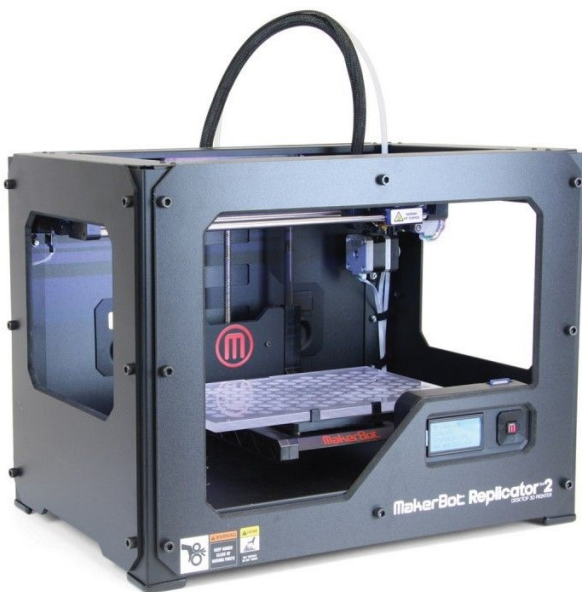

**Cost:**

|  |                              |
|--|------------------------------|
| Setup Fee - Includes 1 hour printing time in standard colour | <b>\$10.00</b>               |
| Additional print hours (or part thereof)                     | <b>\$3.00 per hour</b>       |
| Option for Special filaments                                 | <b>\$5.00 extra per item</b> |

The library will contact you with a cost estimate before printing. We will try to print your object as soon as possible; completion times vary depending on the number of builds in the print queue. Final cost will be calculated upon completion of build.

**Print Limits:**
