**Have you got history hidden at home?  
Find the treasures in your photo  
albums and get scanning.**

We are after images showing any aspect of how life was in Kelmscott, Armadale, Roleystone, Forrestdale, or any of the suburbs within the City of Armadale's borders before the year 2000.

Those photographic memories from before the 2000s are history waiting to be enjoyed. So open your old photo albums and show us how our district looked decades ago!
