

Kits for Kids

This exciting range of resources can be borrowed by organisations or individuals. Phone or visit one of our libraries for more information about this or any of these kits.

Bulk Loans

Organisations such as schools and childcare centres can apply for a special bulk loan membership which is renewed annually.

Brain Bags

Brain bags are a fun way for children to build and develop essential skills.

Each blue bag has a different theme including: reading and writing, fractions, money, basic equations, measurement, shapes and patterns, and time.

These kits contain books, educational toys and suggested activities that suit a range of skill levels among primary school aged children.

Brain bags may be borrowed by all library members, and are available from all City of Armadale Libraries.

Puppets & Jigsaws

Armada Library has an exciting range of puppets for loan including: fairy tale characters, birds, animals and mythological creatures. All four libraries have a range of children's jigsaws for loan.

Story Bags, Discovery and Deadly Backpacks

Backpacks contain a variety of items, such as books, puppets, CDs, DVDs, games, felt/magnet boards, musical instruments and activities – all intended to encourage families to engage with literacy and storytelling at home.

Themes include: Indigenous, measuring, directions, numbers, transport, animals, farms, bugs, fairytales, nursery rhymes, music, dinosaurs and unicorns.

Yellow backpacks

Are designed for families with a child aged two to three years.

Green backpacks

Are designed for families with a child aged four to five years.

Blue backpacks

Are filled with exciting storytelling resources as well as brain bags.

Deadly backpacks

These feature Noongar language, stories and culture.
