

# Mayku FormBox Bookings

Please read before selecting details:

**Cost:**

Setup Fee - Includes 1 sheet **\$10.00**

Additional moulds **\$3.00 per sheet**

The library will contact you with a cost estimate before forming. We will try to create your mould as soon as possible; completion times vary depending on the number of jobs in the queue. Final cost will be calculated upon completion of build.

**Print Limits:**

Max dimensions = 150mmL, 150mmW; Max draw depth 130mm

**Sheet options:**

Form Sheets

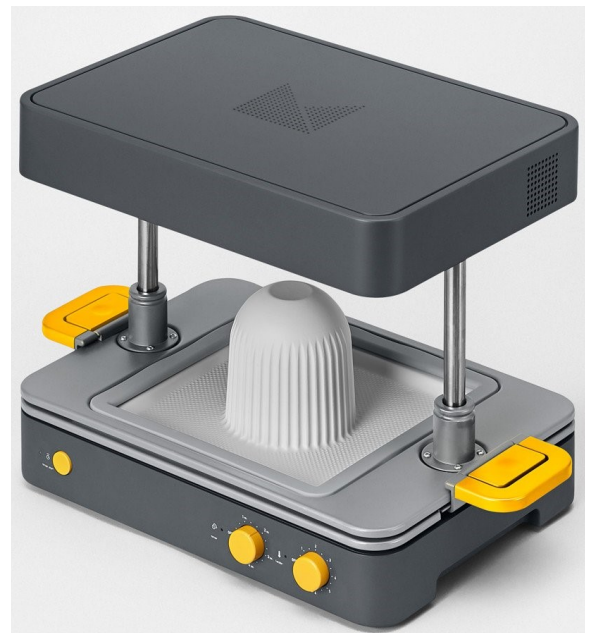

*HIPS (High Impact Polystyrene)*

Great for product packaging, prototyping and enhancing decorative craft projects. Fully recyclable, partly made from recycled plastic waste.

Cast Sheets

*PETG (Polyethylene Terephthalate)*

The slight flex and non-stick surface that the sheet provides ensures that your templates and casts can be removed with ease. Fully recyclable, partly made from recycled plastic waste.
